Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Auburn Firefighter Training Facility in Fiscal Year 2022.

The entity to receive funding for this project is the City of Auburn, located at 60 Court Street, Auburn, ME 04210. Funding will be used to build a new firefighter training facility that will support career and volunteer firefighter training across the state. This project is part of a rebuild of Auburn's public safety facility, to be completed in 2023. None of the existing six firefighter training facilities in Maine meet current training requirements - this facility would meet all standards.

I certify that neither I nor my immediate family has any financial interest in this project.

Respectfully,

A handwritten signature in blue ink that reads "Jared F. Golden".
